“ Ande,

I am so sorry to hear of Buddy's death. I wish I knew the right words to say to lessen your pain, but I don't. What I can do is pray for you and your family. Reading Buddy's obituary, you can see he was a man of faith and dedication to his Savior. I know that if he could speak to you right now, he would tell you that he is having an amazing time and wants you to feel good knowing that he is with our Lord and looking forward to the day he will see you and the children again. Until then, he will be watching over you.

God's love and comfort to you and your loved ones.

“ Buddy will be greatly missed. I have know Buddy since I was in grade school and now I am 45. He shared Sunday Dinner at my family home while I was growing up. He always had a very kind word for me when I saw him through the years at Brookshires or when I was visiting his church.

Remember Ande and your family the fond memories you have of Buddy. Also know how special he was and how he made other people better by touching their lives. Therefore I am proud to say Buddy was my friend.

Words can't ease the pain you are feeling only time and God's hand. You are all in my thoughts and prayers.

“ For as long as I can remember, Buddy has been in my life. I remember him as a child, working in my grandfather's store; always with a smile on his face and a kind, gentle word to say to each and every customer. He held a special place in my grandfather's heart and mine, as well. He will be missed. My thoughts and prayers are with you.

“ To The Beasley Family,
You have our sympathy, we've known Buddy since he was a little boy, always a hard worker. God took one of the best, He's got him a good worker in Heaven, one thing about Buddy, God will never have to ask him to do something twice. We are really going to miss him teasing us when we come in the store. Remember our loss is Heaven's gain, and Heaven has gained a good honest and loyal man and he will be truly missed.

“ The Beasley Family;
You are in my thoughts and prayers, I'm really going to miss Buddy when I go in Brookshires, I've known him for a long time, he'd always tease me about my cars when I go in the store,we could always have a good laugh.I guess God needed a hard working angel and so He sent for Buddy, he was the best friend a person could have.

“ *Dedicated To: Mr. Beasley*

Walk In Light

*Walk in the light of your Father,
The Great Creator of all,
Walk in praise and adoration?
Respond to His Spirit's call.
Walk in the light of the Savior,
Glorious Light from above,
Follow your wonderful Shepherd?
Walk in the light of His love.*

*Walk in the light of Calvary,
And the blood that freely flowed,
Christ is the Light that sets souls free?
Praise Him for blessings bestowed.
Walk in light of His forgiveness,
Sin's darkness taken away,
And in light of abundant life?
Yours free to enjoy each day.*

*Walk in Light of God's righteousness,
As recorded in His Word,
Walk the path of His holiness?
Obey: ?Thus saith the Lord.?
Walk in light of your loving Lord,
Be thankful and give Him praise,
As you follow His Holy Light?
You will walk in all His ways?
Walk in Light.*

I remember going in Brookshire, and Mr. Beasley and I would get to talking so, and I would finally tell Mr. Beasley, "I stayed in here talking to you so long I forgot what I came in the store for," and he would just laugh. He was a very nice man and so polite, I'm really

going to miss him, he was always the same everytime you saw him and always had a smile on his face.

“ *I worked with Buddy while I was in high school and up to a couple of months before I gave my life to christ. Buddy was kind and compassionate and a great witness for Christ. I am sure the Lord used him in the lives of all the guys that worked there.* ”
