“ *god holds his children close to his heart
he reaches down and bring them home
in the path of tears and love
we know the ones we love are up above
he will confort you in this time of greef
we may not understand the lost we feel
but trust in god love for he is near
so when we cry out tears of love look up at the stars and the moon
up above
in his hand he will hold you tight and in our hearts is our love ones

“ Jessica has now found the peace she has always searched for. She was a very strong young lady that survived many trials in her short life. She is now Jonathan's guardian angel watching him from above. She will be dearly missed. Be strong for Jonathan!

“ To All of You Mike, Jonathan, Tammy, Alvin, JoAnn and so many more who loved Jessica as I do. There are no words that can express the deep regret I have in her passing. You are all in my thoughts and prayers during this difficult time.

Jessica was such a lovely young lady. She was always kind and generous with her love and her life. She endured many trials in her young life. Her smile lit the room, and her laughter was incredible. I love her and you all very much.

I pray God will Bless Each of You with the Peace that Passes Understanding in this your hour of need. May you lean not on your own understanding but look to the Lord for your strength for He will surely provide your every need.

God Bless and Keep You In His Loving Arms.
