“ *Jessie Don Vaughan. Daddy we did the best we could. Rip daddy. No longer suffering inn your mind or in your body. I miss you so much already. The thought of never being able to talk to you again on the earth seems so unreal. I am so glad you have had God to help you thru all of this. I am so sorry the grandkids & great grandkids won't get to see your wonderful work ethic & to be so trust worthy. There is so much you could have taught them. We will tell them about you. I love you daddy. I could just keep going on & on. I know it was selfish to want to hold you here but we will all be fine with watching over us.*
