“ *Dear Mrs. Haynes, Marion and Gary,*

I am so sorry to learn of Mr. Haynes' passing. I have such great memories of times at your home and always being welcome there. It has been years since I have seen any of you, but hopefully, that will change soon. I still have one Aunt and my mother-in-law in Corsicana and Marion, we live on the NW side of Houston right off S.H. 249 and Willowbrook Mall. We should be able to meet halfway between there and Humble.

I know these times are hard regardless of how long our loved ones have lived. You are in my thoughts and prayers. I look forward to seeing you soon.

“ *I will always remember the walks I used to go on with Granddaddy on my visits there when I was young. He was full of stories and teachings, and shared many of his experiences. I have missed him while growing up, but have only fond memories.*

“ Granddaddy will be missed by everyone. Though he is gone, his reputation will live as a loving, compassionate, and caring person. I am grateful for the conversations we've had, the guidance he showed me as a child, and his interest in my life. I will hold him in my prayers as well as the rest of our family.
