“ *Neilan and Valda,*

We were so sorry to hear that Aunt Jessie passed away. We are sorry that we were not able to come to the funeral, but we want you to know that she was special to us and we have many fond memories of her.

*Love,
Marilyn*

“ *I was sadden when my parents informed me of Jessie's passing. I was talking to my mom about the talks that jessie and I have had in the past and what a God loving, devoted wife she was. I'm so proud to have been blessed by her, and the to know that she touched not just my life, but the church's life. She taugh us all how to love. God bless the family.*
