Jimmie “Mark” Baggett

Jimmie “Mark” Baggett, age 69, from Corsicana, TX, passed away peacefully in the presence of his loved ones on November 19, 2025. Born on January 28, 1956 in Ft Worth, Texas, to Jim and Rose Baggett, he was a devoted husband to the late Sherry Baggett, and a loving father to Joshua and Jessica.

Mark was a hard-working man of many talents. His accomplishments included being a Polymer Chemist for Barracuda Technologies where he was invaluable in designing specific parts that were further used in oil drilling. He saw an opportunity and risked everything for his family. Many nights were spent wide awake and focused on learning everything he could. He was a man of determination.

Despite Mark’s abilities in the workforce, he was very proudly married to the love of his life, Sherry. Mark and Sherry were wed on April 27, 1979, in Blooming Grove, TX, officiated by his father, Jim Baggett. Mark and Sherry spent the next 38 years together before her passing in 2017. During those 38 years, Mark and Sherry had two children and one grandchild.

Outside of being a family man, Mark enjoyed fishing and being a friend. Many fishing trips were had with many friends. Mark was also always available to

share the love of Jesus and help anyone through their trials, despite his own.

He is survived by Joshua Baggett and Dawn, of Rice, TX, Jessica Dotson and her husband, Andy, of Corsicana, TX, as well as his grandson, Wesley, of Waco, TX, and many friends and extended family that will miss him dearly.

Services are pending at this time. Mark wanted a party, rather than a funeral.
