“ *My gosh this is just to crazy! I'm still in shock! Jimmie was one of a kind, he was a big ole stubborn cowboy with a great of gold! Although if you didn't want to hear the truth you learned not to ask him lol. He was just a big ole teddy bear on the inside. I have know Jimmie for gosh close to 7-8 years and if ever i needed his help he was the first person to help me. He was like a grandpa to me and if he was giving you hell and picking on you you knew he loved ya! He will be missed by so many people here touched so many of our lives in different ways and he could never be replaced. I feel for his family and the kids and but he has had a rough long year and I'm thankful he's healthy up there in heaven with my father and Nana watching over us everyday! Good bless you all. And Jimmie this is not good bye this is just see you later. Thanks you for the many years of happiness you brought to my family we will forever love you. Love you ole man!
