“ I just now heard about Jimmie's passing. He was such a nice and funny person. My husband (Dale) and I did business with him for many years. He was the "Big H". My condolences go out to the family. I know that he will be missed by all.

“ kare, and the hawks family-- we have all lost a good friend, father, husband....hawk was a special little man who was a friend to all. as the big h, he sold tires to three generations of our family, and more than that, he was a friend to three generations. there are some folks that cannot be replaced, but we do all have our memories. you are all in our prayers, and thoughts, and know that jimmy is in a better place, and he's happy as can be. the fish are biting, and the little planes are flying.

“ *What a dear cherished friend we have lost. Jimmie has been a part of our family seems like forever. I spent many days at the tire shop with my Dad or Brett. I have missed seeing him at the dances with that beautiful smile he had always cutting up with someone. One of my funniest memories of Jimmie was years ago when he got Brett and I to pick up a whiskey barrell at Sutherlin Lumber Co. for him. He had decided he was gonna make Homemade Wine, not sure if it ever got finished. I never got a taste of it. Ha. Jimmie will have a special place in our hearts and we will cherish our friendship forever. Keep your Mom close during the days to come, she will need you more than ever now. God Bless Each Of You. You all will be in our prayers. RIP dear friend...*
