“ *I love you all and I wish I could be there. I miss you and I hope to see you soon. It is hard to be so far away but I am thinking of you all everyday. Jimbo was a great uncle and I am sad to lose him. He appreciated life and wanted to experience it all. He was not concerned about death but instead about enjoying his time here. While we all know Jimbo is where he wants to be with Sharon, it is difficult this happened during such an already emotional and sentimental time of year. You are my much loved family even though we don't see each other much. Jimbo will always be dear to me and I will always have the best memory of all...sticking a red christmas bow to his bald head every year at Gran Grans. Love, Jenny*
