“ *Jimmie and Scott always had a special bond when Scott was growing up. Jimmie was at every rodeo Scott rode in. He was Scott’s biggest fan. After Scott stopped riding, they clowned rodeos together with Johnny Jackson. Jimmie was Scott’s best man when we got married. After we got married, Scotti came along, Jimmie had a new “left” hand. I can remember a time when Jimmie was watching Scotti, he received a call regarding some drug deal. He left Scotti when someone at a convenient store. We always laughed about that. Life changed and things happen but you always hold on to those special memories. We have and always will love Jimmie Spencer.*
