“ I was your first an only wife. We were young and knew it all or so we thought. Then we had Scott Aaron the most beautifulest baby in the world and he changed our world for the better and we tried to make it work but we grew up and apart. We may have had our differences but we could always work it out even now. Your will be missed my so many friends an family including myself but dont worry I've got Scott and Erik and destiny. You rest easy I got this ! Tell maw and pawpaw and dad hello !
