“ *I remember all the fun we had as children at her house. My sister Deborah was friends with Janice. On a lot of sleepovers I got to go as well. As a young lady I sold Tupperware under Jimmye. She was so patient. She was a very good business woman and loved to teach others. She will be remembered fondly.*

“ *Jimmye was a joy to have at Twilight. I enjoyed spending time with her during activities. She used to pray over us in Bible Study and even led a few other residents to Christ during her stay. Such an amazing testament to God's Love. She will be very missed.*
With love, Ashley

“ Oh Janice.....I am at a loss for words. Though I knew your mom back from when you and I were kids, I was so blessed to have gotten to grow so close to her out at Twilight here recently. She made my day every single day. We could always find something to laugh at, or something to growl at like that dang rooster puzzle she disliked. And I loved how competitive she was - and she showed us every Monday and Friday at the Bingo tables! One day when I go to Heaven, I can see Jimmye right now waving those hands in the air, showing me that she has a seat reserved for me right next to her as she did at Twilight! When I got to come home, I promised her I would be back to see her as soon as I could drive. I still can't do that, but know I will continue to miss my sweet friend. If you need a trusted ear or shoulder, you know Im here.
Love you,
Becky

“ Janice, Sharon and Families I was so sorry to hear about your Mom. Wow she has been apart of my life since I was little. Many great memories of her and your Daddy living on Beaton and going to Fannin together. We are never ready to give them up, but oh how Blessed you were to have her this long. Whenever I would see her she would be smiling and have a big hug for me. You all will be in my prayers. Love, Brett and Diane Douglas
