“ Joanie will always have a special place in my heart.
*She always had a sweet smile and a caring heart.
It was my pleasure and privilege to know her for the last 23 yrs.*

We have laugh and cried together, we have had many family gathering together and enjoyed our children and grandchildren together.

We have played cards and bingo together, or just enjoyed each others company together.

She was just so beautiful inside and out.

I will miss her and her friendship.
