“ *Julie,*

I just heard about your mom. I am so sorry for your loss. I wish I could have been at the service to say good-bye to her and to see you.

I have so many fond memories of her. I know we drove her crazy at times but she was always so kind and understanding. I still have her Swedish Meatball recipe that I could never make taste as good as hers. Please know that I am thinking of you and your family. You guys will always have a special place in my heart. I loved your mom too.

“ Julie, Leslie, Wayne, Mary Ann, David,

We were saddened today when we saw Jo's obituary. I remember when you guys moved to "the farm" and started school in Dawson in the very early 1970s. My family moved from the city to the country only a year before yours -- a dream our fathers shared (not necessarily our mothers!). Fortunately, Julie and I were able to help one another initially through the cultural shock we experienced from our moves and eventually settled into our own cultural shock. And, as they say, the rest is history... You all are very fortunate to have had your mother on this earth 85 years and all of your lives. You were able to bless her with grandchildren, great-grandchildren, and she was able to see each of you come into your own -- the good, the bad, and the sometimes ugly. She was a wonderful lady and she will live on in our memories. Remember the good times with her and let those memories help you through this loss.

With all our love -- Susan, Hollie, and Van

“ *I am sorry for your loss. I used to fix Jo's hair about 15 years ago. She was such a sweet, lovely person who never spoke an unkind word about anything. I thought a lot of her and I know her family will miss her greatly.*
