“ The men and women of the Groesbeck Volunteer Fire Department offer you our heartfelt condolences in this terrible time. Words alone cannot express our sorrow or our feelings at such a time. Please know that this particular first response has affected me personally, the entire department, other responders, and the community of Groesbeck as a whole more than we could ever imagine it would, though we know ours is miniscule compared to what the families are going through. Our prayers, thoughts, and hopes for healing go out to all of you. May times be better for all of you with God's help and mercy.

Charles Bratcher, Fire Chief, Groesbeck VFD - December 30, 2010 at 12:00 AM

“ Joe and CeCe, there are not enough words to describe their kindness and love they shared. CeCe and I go back to 1982 and we stay close for a long time. A move brought me to Bonham and our visits were fewer in between times, but I always knew she was only a phone call away. We always said good friends do not have to talk or see each other everyday to know we were there for each other. She comforted me during the loss of my husband, I only hope I can offer the same comfort for their children and grandchildren. I loved you as sister, CeCe. Joe, thank you for all of your kindness and understanding of my need for CeCe time.
You will both be missed.

“ I remember two very kind-hearted people who took me under their wing. Joe & CeCe were a daily reminder of what a loving, business couple should be and made each and every person that walked through their doors feel like family. Simply put, they would give the shirt off their back (if needed) and serve you up a hot meal if you needed one of those too. They were patient, loving, kind, sweet-spirited souls, and now they are angels amongst each and every one of us. All the good that you both have bestowed on family, friends, and the community will remain rock solid for years or even decades to come. Joe & Cece, you took care of people for so long. Now go...be in God's hands and rest...rest peacefully. Those that you leave behind will keep your memory alive now and forever. We all miss you so much! Now go, Go be with God...because that is one place where I KNOW we will ALL be seeing you next. Goodnight, Joe & CeCe Hubbard...Rest in Peace!

“ Casey,
My heart broke when my mother called to tell me the news of Joe & CeCe. I know that words cannot begin to ease your sorrow but you and your entire family are in my prayers.

My two years of working with Joe & CeCe were great times. They gave me a waiting job with no experience and helped me grow so that I could work my way through college. They really took care of a lot of us and they will be truly missed by many.

“ Casey,
Please accept our deepest condolences on your loss. Sid, of course, remembered your mother well and was stunned when he heard the news from your dad. I believe our loved ones are never far from us; the love we shared with them lives on forever. Take care of your girls and never let them forget their grandmother. I know we haven't seen you in years, but we're still family and are here if you ever need us.

“ WE ARE DEEPLY SORRY FOR YOUR LOSS. CHRIS AND I HAVE KNOWN JOE AND CECE FOR 17 YEARS NOW. IN FACT, THEY ARE THE REASON WE MET AND MARRIED AND NOW HAVE A WONDERFUL 1 YEAR OLD SON, JAREN. IF THEY HADN'T HAVE OPENED MAX'S, THESE THINGS WOULD NEVER HAVE HAPPENED. THEY WERE BOTH KIND AND WONDERFUL PEOPLE TO WORK FOR AND THOUGHT WELL OF BY ALL. OUR HEARTS GO OUT TO CASIE AND HER FAMILY AND THE OTHER PLACE FAMILY AS WELL.

“ We have known Joe and CeCe for many years and they are some of the nicest people I have ever met.

Casey, my heart breaks for you and Billy and your children and for now having to face the future without these two loving special people in your lives! Your mom was so proud and happy to be a grandma!!! I will miss her but I know as much as this community and everyone in it that have been impacted by contact with your parents will miss them too but our sense of loss will never be able to match your grief or sense of loss. Death always comes too soon!! Our prayers and thoughts are with you!

“ We are saddened by the loss of these two special people. They were very sweet people. Michael helped them with their computers,new software and updating their systems. He always came home with the sweetest stories about the two of them. He enjoyed being around them both. They would always stop to speak when we were eating at The Other Place, despite how busy they were. They will truly be missed!

“ Joe and CeCe were two of the most loving and caring people I've known. No matter how busy they were or what was going on, they always had a smile and a kind word. I'm so grateful to have known them. Casey and Billy (and the girls) I'm so very sorry. (Words aren't enough, but, they're all I have for now.) “ My wife, Martha, and I were at the restaurant last Monday----Joe had gone home and we visited with CeCe for awhile---Martha and I were in the same class with Joe at Mabank---Joe was a close friend during childhood and school years----my family lived up over their grocery store in Mabank, we went to church together, played together, bought a car together and roomed together at Austin while attending UT---I had the strongest urge to see Joe last Monday, but that was not to be---So long freinds, you will always live in our hearts 'til we meet again some glad morning before too long -----Dick and Martha Bramblitt

“ The Other Place was our favorite restaurant, and we went there often, as late as Wednesday of last week. Some other old Mabank friends who now live in East Texas and I ate lunch there a couple of years ago, and Joe knew we were coming and made it a point to see us. It is a sad thing for Corsicana to lose Joe and his wife.

“ Our hearts were so saddened when we got the news of the tragic accident. We had such respect and admiration for Joe and CeCe. They were such special people. They were always uplifting and positive. We will miss them both dearly. The community was blessed to have had them. Our prayers are being said for the many friends, family, and patrons that will feel their absence. They were a sweet couple here and heaven is surely a better place with them there. God bless them.

“ The Other Place was a home to the employees and the customers. I would eat there 2 or 3 times a week at lunch and felt like I was at home for lunch. There are no finer people than the owners and employees of The Other Place. Joe and CeCe were caring, generous, and friendly people. CeCe was always excited when she was going to see her daughter and grandchildren. She could not wait to play with them.
