“ *I'm very sorry about John, he was a real good man. I'll share a little memory of him, the last time I spoke to him... he had locked his keys in his Cadillac, it was the weekend and he thought he was going to have to call a locksmith out , and was having a fit about it. I told Mike I could get him in it... he laughed and said Dad ain't gonna let you touch that car... I just smiled and said yeah he will. Needless to say I got him in it after he bet me I couldn't ..the look on his face was great. he was funny. My prayers are with you all Mike, Rusty, Michael, Monica and Monica's mom.*
