“ Pam, My thoughts are with you and your extended family. I really enjoyed getting to know John on our "long" rides. He always wanted to make sure that I had "Talk Time" on the radio. He was always a jokester and a big tease. You Pam were the love of his life. I looked back on the bus one day and he was asleep (as usual). However, he had his head on a women passenger. When he stirred and woke up I told him that I was going to tell you. He said "No, no don't do that I would be in all kinds of trouble." I could tell that the two of you had a wonderful relationship and I know that you will miss him Our prayers are with you. Bettie

“ John was a kind and caring person. I had the priviledge of working with him for quite a few years at Toms Foods. He always had a smile on his face.

I am so sorry to hear of his death.

Pam, you have my sympathy. If there is anything I can do to help, please call me.
