“ *Teri,*

I was saddened to hear of your loss and I pray that God gives you and your children the understanding to carry on. Having lost my father 14 years ago, I can most identify with your son. You were not left orphaned. He will continue to live, thru your children in a way that perhaps only you will recongnize frequently, if not daily. From the Ortiz Family in Central Texas, we send our sympathies and vow to continue our prayers for your family.
