We are so sorry to learn of John passing away. Just know you have a lot of people praying for you right now. It is our prayer that God will wrap His loving arms around each of you and make His presence known to you in a very real way. “ Jackie,

Our thought and prayers are with you at a time when only God understands. I Cor 13 tells us what is really important. Though we are able to do "all things" and have not love, we are as a gong having no sound. You have love and that is what is important. Time after time, friends have expressed what a good man John was and that is evidence of great love. May God continue to surround you with his love and understanding.

*We love you,

“ Jackie and family, I was very saddened today when I heard about John. I cannot fully express what he meant to me. John treated me like family and taught me many things. My most fond memories of him are the many times he took me fishing out in his boat. Everytime I am on Richland Chambers, Fairfield or Cedar Creek I always think of him. My prayers are with all of you during this time.

“ *My thoughts and prayers are with your family. Big John was not a good man, he was a GREAT man. He dedicated so much of his life to the young people around him. So many boys were molded into good young men through the relationship we had with Big John. John and Jackie treated us all like we were their sons. Their love brought so many of us together. Big John definitely like to have fun, but he was also always there to keep us in line. We are blessed to have him touch our lives. I love you, Big John! God Bless!*
