“ *My deepest sympathies. I know John will be greatly missed by all. Although it has been a few years since we last had contact, John and I had been very close in high school and some years that followed. All of us brothers basically grew up together....even though our parents weren't too sure that we actually did! John and Joey are absolutely brothers from another mother. I know we all prayed for John to get better and he did for awhile. He fought a hard fight and I am glad that he no longer suffers and there is no more pain. He is in God's Kingdom and all is well now. Continued prayers,

“ *So sorry for you loss, I worked with John at Brookshire's for many years, he was a good guy, and a friend of mine. John's mom and dad shopped with us at Brookshire's and his dad was a mess and mom was the sweetest lady, he will be missed, he is in a much better place, and in God's hands now.* ”

“ I worked with John first at Brookshire's then we moved on to Super 1. I will always remember him as hard working and *spunky* and how he always tried to sneak coffee from my Deli....he was always fun to be around and I am glad I have been able to call him my friend for many years. Praying for his family and all they have been through in recent weeks. Sleep well John, you have earned the rest.

“ *My heart breaks for you all right now, yet I find comfort knowing he is with Kinsler, his Daddy and his Brother and all the others that are in Heaven now. I can just see him and Kinsler giggling together. Brett and I went through a year like ya'll have had, time has helped us heal and the love of all of our Family and Friends. You have to turn it over to God and let us all help you through it. John is whole again, free of the pain and suffering, your new Guardian Angel... Praying for you all.
