“ Dear Scott/Tammy, Misty/Shawn, and the entire McGraw family & friends,

We are so very sorry to hear about John's passing. While there are no words that can be said to fully ease the pain of losing a loved one, we hope and pray that you find peace in knowing he's in a far better place, free from all pain and suffering; as well as knowing that he is healed now and in his forever home with his Lord and Savior.

I had the privilege of knowing John over the last 20 years or so. He was always smiling, in a good mood, and was very witty with jokes and comebacks, as well as sharing old stories. He was a good man and will be missed.

Family, please know that our thoughts and prayers are with you all during this difficult time. Lean on one another and your huge network of family and friends in this time of need. Let us know if there is anything we can do to help.

Take care and God bless you all.

“ John always wanted to push a button on me when we were younger. I was fussing about my hair once and he said it might do better if you would brush it more 🌀🌀🌀🌀. True I always just gave it a swipe and a promise. It never did do well for me. I guess John knew what he was talking about 😊. He was a good man. I Love you Scott and Misty!
