“ I've been umpiring baseball for over 15 years in Corsicana, Corpus
Christi, and Dallas areas. John Phillips was one of
the "TRUE" good-guys and he will be greatly missed!!! GOD will
heal a broken-heart, if you'll give him all the pieces.

“ Barbara, Jackie, Sue & Donna, my heart is broken over the news of John's passing. I know he was a wonderful husband and brother. He was such a kind man. He even tolerated all of our silliness when I practically lived with Jackie during our Junior High years. You are all in my thoughts and prayers.

“ *Dear Barbara, Brian, David, Hanna, Brody, Hallie, Uncle Jack, Sue, Roy, Donna, Jackie, Dwayne, Leann, Jack, Mr. & Mrs. Boswell, Larry & Kim. Oh how shocked & saddened I feel about the sudden death of John. What a difference & impact John made in our lives. My memories of John are watching him play baseball in BG. John & Verlan Ewing took me out frog gigging . I was shining the flashlight & holding the sack. The city slicker cousin/me was having fun until John says something just went up his jeans leg! Frogs, flashlights, snakes oh my! The Phillips family opened their home & hearts . My happy childhood memories of being part of their family...playing, fussing, doing chores, drinking rainwater sun tea. What a loving husband, father/grandfather, son, brother, cousin, friend, neighbor, employer....Heaven is a great big hug that lasts forever....all of us who loved John have our memories & our faith leaning on the everlasting arms & embracing each other. Praying for all of John's family to be embraced & encircled with love, compassion, healing & strength from God the Father through family, friends & community.*

“ John will be greatly missed by us. I do not think I will ever drive by without seeing a vision of him outside playing with the kids. Emily loved visiting with John and always wanted to run over and play with him even if Brody and Hallie were not there.

John was always willing to lend a helping hand whenever I needed anything. His kindness and generosity will remain in our hearts and he will always be remembered.

Love,
Lorie and Emily

“ Barbara,
I have relived the evening we spent with you and John numerous times prior to hearing the news on Sunday and of course, many times since then. I just keep thinking of his smile and his laughter. I also remember watching him look at you. He had a touching look of love when you were talking. I will always remember it.

I want you to know how much you are in my thoughts and prayers at this time.

With love to you,

“ *Barbara, there are no words to say how sorry I am. I know you are heart broke and in such sorrow right now. John was such a kind and caring man, he will be missed by all who knew him. You're someone who's really special to me and I want you to know I'm here for you if there is anything I can do to help. I guess all I can say for now is that I love you and I'm thinking about you. As time passes and things get a little easier (and it will), maybe we can meet in Dallas and spend some time together. You and your family are in my prayers.*

*Love you,
Susan*
