“ *To Bobby, and the rest of the family,
I am sorry for your loss. John was a good man and lived a good life. The family
he left is his legacy. It is a good one. May you all have peace.
Respectfully,

“ *When John was manager at Montgomery Ward and I was a young advertising
sales rep for the Daily Sun, I called on John and we had a lot of good laughs
sitting in his office. But, before that, I drove the Mildred school bus that picked up
Sherry. One day I backed the bus too sharp out of the driveway of their home and
ran over the metal wagon wheel at the edge of the driveway. In the big bus I didn't
realize I had caused the damage until John called. I apologized and John said,
"Oh, that's OK. I was getting tired of those things anyway." Later, when he was a
rural mail carrier he would always stop and talk with me if I was out in the yard
when he came by. Seems like those conversations always turned to politics.
Since I moved to Palestine nine years ago, I've missed talking to John and
thought about him frequently. My prayers are for Betty, Sherry and Bobby. May
God hold you close during this most difficult of times.
