“ *Emma and family,*

We are so sorry for your loss. Our thoughts and prayers are with you all.

I've always thought a lot of you Emma, and even though I didn't know your mother personally, I'm sure she was a delightful woman. I remember not too long ago, maybe a couple of months, seeing her with you at Preston and Layton's game. If you need anything at all, please call and let us know.

“ Dear Emma and Family:

I remember your Mother fondly, when as children, we used to visit your farm. It was great to pick fruit from the orchard, see crops growing, ride on the tractor, swim in the pond, and experience the animals. She would make the greatest home-cooked dinners for us- I always felt welcome.

I know she brought a lot of joy to my Mother, Bess. Mom has often spoke about the great trips they took, and what fun she was.

As an adult, every interaction I had with your Mother was positive. She had a great sense of humor. She never had an unkind word to say about anyone. Godspeed, Aunt Lena
