“ *My little Brother. He spent a few years with our family. We had great fun and shared a wonderful time and place there in China Spring. Camping out on the Brazos, fishing, chasing dogs thru the bottoms. Johnny always yearned, hoped and planned to return to Corsicana and be with his siblings. I missed him when he left us. I miss him now. God Bless You Johnny RIP. Say hey to Pop Cobb for us.*

“ *I just remember when Papa Cobb first brought Johnny to the Cobb's home. Seems like everybody just fell in love with him. He was such a sweet boy. Before you know it, he was a real part of the family. He was very dear to me.*
