“ *Big John always lived Big! He always kept me on my toes - never
knew what he'd say next . . . He always makes me smile - even
now.*

“ *Johnny was a good friend, and was a good teacher as well. When I
first started riding motorcycles again, he helped me many times in
learning how to safely enjoy riding. We spent many hours in
conversation at Friday Bike Night in Palestine, and he helped me on
several occasions planning funeral missions with the Patriot Guard
Riders. He will be missed, but it's a blessing to know he is with the
Lord on Easter Sunday. God bless all of you.*

“ My whole family enjoyed every trip we made with Big John. His humor and witt was wonderful and I gave him a very hard time every time I saw him and he gave it right back. He would meet me anywhere anytime just for a cup of cofee and conversation. He always took time out to talk with an old friend. He always spoke of Loretta and his family. We just borrowed him for his friendship but he loved yall very much. Sorry for your loss he was one of a kind for sure! Tony.

“ Big John always made us laugh. His humor and wit was only overshadowed by his spirit and love for his family. We pray that your sorrow is quickly replaced by peace and the wonderful memories you will keep in your hearts.

“ Big John was always going somewhere on that motorcycle, thus his handle, "Neverhome". I like to think that now, he's home. Farewell.
