“ Lowell loved swapping stories and playing 42 with Johnny. When my mom passed someone shared this thought with me, when we come into this world, the friends and family are all waiting with gifts, balloons and flowers to welcome the baby into the world, when we pass, I think the angels were all around with balloons, and in this case, a box of dominos cheering and welcoming Johnny into heaven. We are so sorry for your loss and pray God continues to give you comfort and peace beyond understanding. Lowell and Jay Posey

“ Janis: Johnny B was a wonderful man. He was Sonny Minchew's boss at the County Barn for many . I remember when Sonny retired that Johnny B came carrying a replica of a red farmall tractor that all the guys that Sonny worked with gave him. He was always very nice when I came up to the barn and he liked every one he came in contact with. Always smiling and had a hand shake for everyone.
