Miss you every day. You were my best friend. A year after you passed away, I was blessed with a little girl who I love more than life itself. You probably met her before I did when God sent her down to me. Love you so much, will see you again when its my time to enter those gates.

“ Johnny Aaron was full of life and love, sharing it with, and caring for others. His light shined in the darkness, and his reasoning and comedy uplifted his friends and strangers alike. His joy carried over to everyone he knew, and his quips made all smile or laugh.

He will be sorely missed, but his memory will live on. Sincere sympathy to Bob and family, and may our LORD comfort and be with each of you !
