“ *Dear McNeill family,  
Johnny was a special friend of my mother, Dorothy Bouwman, and of mine as well. He had a sweet spirit and always had a joke to tell in the dining room of Sterling House. Mother always enjoyed seeing him during the two years that she lived there. He will be missed there!*

*You are in my prayers.*

“ To Johnny's Children:  
James and I picked up Johnny several times and took him to our Class of '57 reunions. We thoroughly enjoyed being with him. He was such a sweet, caring person to all of our class members, and each one looked forward to seeing him at our reunions. We will certainly miss him at our 50th this year. Johnny did share with me at one time that he knew the Lord, and he knew that he would go to heaven and be with his parents when that time came. We know where he is today. God bless you all. May God just wrap His loving arms around each of you and let you feel His presence. May He give you that "peace that passes all understanding" as only He can give.  
Please know that you are in our prayers,  
With love, Pat & James Owen

“ I have known Johnny since 1946, First grade, Wm. B. Travis Elem. Johnny was our leader, our quarterback in the 6th and 7th grades. The main man on the 7th grade basketball team. I have enjoyed renewing our friendship during the past years at our reunions. He has always set an example to us. Rest in peace old friend.

“ Johnny was a special person to me. I cut his hair for years as I also done his mother's hair. He would get a cut every 2 weeks because he always said he didn't want to have to wear dog tags. That will always be on my mind when I think of him. May God Bless and Keep All of You and may Johnny Rest in Peace.
