“ God please give comfort to the family of this wonderful man. I knew him as a teenager when he would visit us at our house. He was always such a sweet and gentle guy. I could tell by his posts the love he had for his wonderful family. He will be so missed by so many.

My sincere condolences to each of you that loved and respected him. May the memories you share of him, bring you comfort, now and always. Barbara G. Nelson

One memory I have of Johnny was all of us and his mom, watching movies and eating popcorn together. They put pepper on their popcorn, and even now I sprinkle a little on mine when I make it.
