“ *To Bo's family:*

I am so sorry to hear about BO's passing. He was such a super guy and a great friend to my brother Gene and his wife Thea. He always treated people as if he had known them forever. As one person said on FB: he had a heart as big as Texas itself. He will be greatly missed by all who knew and loved him.

May God give you strength and comfort in the days and months ahead.

“ *Bo was a very funny guy. Some of my fonest memories of him is sitting in meetings with him and having the meeting go wayyyy off in left field because of something he said. He was a character. This is still such a shock to him. I think I can speak for everyone here at Fred's, when I say that he is missed. I pray for peace for all his family members. He loved all his kids very much and he talked about yall all the time. God Bless you all.*

“ *My deepest sympathy to Bo's children and family,I pray for you to find peace and comfort. I worked with Bo for many years at Kmart, he made everyone's day at work a lot more fun. He had a great sense of humor. Bo also helped develop my love of birds, I got three cockatiels from him many years ago... a very short time after I got home with them I realized why he was in such a hurry for me to get them.... they were extremely loud!!!
Rest in peace

“ Hey family,
I am really sorry to hear about the passing of Bo. We stayed in touch over the years and I got to spend a little time with him in the last couple of years when I traveled through Georgia. Bo was like my other brother and we gave your Mom and Dad some serious greif in our younger years but they loved us anyway! My prayers go out to you and I know you all miss him..but there is only one way to accept the loss and that is to know how blessed we were to have him for all of those years.
God bless and rest in peace my brother!

“ I am broken hearted to learn of my good friends passing. Bo was my best friend from 3rd grade till we were in our mid twenties and life made us drift apart. I always thought we would reunite at some point. I wish I would have reached out to him earlier. My prayers and sincere condolences to his family. I miss my friend.
