“ God never fails in all his purposes. I am forever very bless to have been part of " CCA " and honor having met such a joyful person like Jonathan, I keep extraordinary memories of Jonathan like the extraordinary person he will always be, a true gentlemen, a genius, a child of God this is the greatest virtues in a person, there area many people we encouter through all af our life but only a few can teach us by their testimony, walking in truth and to live life to the fullest giving the best to others; loving our neighbors. Mr. and Mrs. Brown feel proud you've done a beatifuil job raising your son Jonahtan. Children are a gift from God given with love and to raise them in God's love in accordance with God's law. I truthly belive your son was created with a purpose so that we may learn to give joy the way jonathan gave. When hard times come remember to love make life simple the way Jonathan thought us live life to the fullest the real treasures of life.

“ James, Teresa, and Jennifer,

*I cannot imagine the grief you are experiencing and I am so sorry for your loss. I know there are no words I can offer to ease your pain, but I hope you can find some peace in scripture:*

*Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God.*

*II Corinthians 1, 3:4*

“ To Jonathans loved ones, I am sorry of your loss. Jonathan and I were childhood friends, I remember days of bike riding and trampoline jumping like it was only yesterday. I remember the excitement when he moved into the neighborhood to "finally" have a boy my age to play with that was within my bike riding radius. I was sad when we had to move from the neighborhood, and it wasnt until years later, right after we both were out of highscool that we ran into each other. We reminised together of our youth and what our future plans were. We vowed to keep in touch but alas our lives took different paths and we lost touch again. I am am saddened that 10yrs ago was the last time I would see my friend. Jonathan you were loved by many and will be missed by many. Goodbye My Friend, Until our Paths Cross Again, at that Mansion in the sky.

“ There aren't enough words to describe what a wonderful person Jonathan was and this world will never be the same without him here. I feel that the Lord needed him in heaven and has a special place for him there. I can just hear his sweet voice singing with the angels. He had the most beautiful voice and brought joy to anyone that heard him. I can only imagine the joy Papaw and his Nano felt when they saw him walk towards them. He was such a special person and will never stop being missed. My thoughts and prayers will go out to his family each day. Sweet Jonathan I love you with all my heart.

“ I had the great pleasure of working with Jonathan in my computer store before its closing last year. What a wonderful person to be around! JB was one of my favorite employees. He always was ready to help others and always had a terrific attitude and positive outlook on life. I only wish we could have kept our business going to keep JB with us. My most sincere sympathies go to his family, who I know must miss him greatly. I will certainly miss him too. May God bless you and comfort you in your time of sorrow.

“ Jonathan and I both went to CCA, but I was in elementary school when he was in high school. I never knew him directly, but on occasion, the high school and elementary would meet during certain school events. I remember him being a very happy and friendly person. My sympathy and prayers go out to his family.

“ James, Teresa, Jennifer and family, words cannot express the sadness I feel and the concern I feel for you at this time. You are as close as any family can be and that is the comfort I know you are all carrying with you right now. Your love for each other along with your faith in God are surely the things that can get you thru this time. I pray for your strength and find comfort that papaw and nano are with Jonathan now. I am sorry for your grief and may God help you find the path to walk and carry this load. Love you and I pray for you, Debra

“ I attended CCA for a few years and Johnathan was one year ahead of me. We had several classes together. I have not seen or heard from him since '98, but I do have some special memories that involve him. Johnathan was one who could put a smile on your face with very little effort. Plus, he always had a smile on his. He was an easy going yet very smart guy---always had an answer for things. I don't know the situation or why he is gone from this earth, but I do know this young man made a difference in the lives of many...including mine. My prayers and thoughts go out to his family.
