“ I worked with Jonell when I first came here as a nurse. We worked on nights together and I don't believe I have ever had someone that I loved to work with more than her. She would keep me laughing all night so I had no choice but to stay awake. I had no idea she was sick or anything, we have lost a precious person in her. I am so sorry to her mom, dad, sister Carrie and especially her kids. May God bless you and be with you during this terrible time. I sure miss you Jonell,,,,,,Lisa Nelson

“ Dave, Carol, Lucas & Jacob- We are so deeply saddened for your loss and our hearts go out to each of you. There are no words to comfort you during this time of sadness, the grief is far too great. We can only know that God takes care of his children and draw strength from him and your family. You have each other and all the good times and memories. Be comforted to know that our loved ones are in a far better place and that this is not the end but only the beginning for them in heaven. We are here for you anytime and each and everyone of you will in our prayers. Love, Don, Lisa, Corey & Dustin

“ Dear family of Jonell, I am truly sorry to hear of your loss. Jonell was such a character. I enjoyed every minute I worked with her. She was one of the funniest people I have ever known. We laughed all the time when I was with her. She had such a quick wit and I always looked forward to working with her. I would have done anything to have helped her and Im sorry I didnt put more effort into being her friend. My heart is truly heavy tonight for the loss of such a bighearted loving person. Vickie

“ Joey,

You were my best friend from the time we were young, dumb and clueless. I have so many memories of you. From beating up Kyle on the playground to the snickers bar flying from your nose. You were my partner in crime from singing to kidnap victim. You were there for me in ways only you could be. Part of my love of music stemmed from you and every time I hear Christopher Cross I will think of you. Heehee and only you would understand that. I would give anything to go back just once to those Friday nights when the love of boys and music made us giggle and cry the night away. You have made me laugh, made me cry, made me angry and made me love better as a person. You were a loving mom and a friend that would go to the ends of the world to help me if you could. You, my best friend and sister, will live forever in my heart. I love you.

To her boys, her life, Lucas and Jacob, I am so sorry. You had a beautiful mother and don't ever forget that.

Carol, Dave, Carrie and Stacy... I am sorry. She was a special person and made me a better person for having known her. I for one will never forget her she will forever be my best friend.

Kyle... What can I say. My girl loved you her whole life. You were the one she giggled about in the wee hours of the morning when we were young. I hope you know that even after all this time you still had her heart.

Thank you God for allowing me to know such a wonderful, beautiful, talented funny person.....

*I was saddened to learn of Jonell's death. I remember Jonell from her school days in Bells. She and my daughter, Cindy, were in the same grade. She had a bubbly personality and pretty curly hair. She walked to the tune of her own drum. I remember she became a nurse, married Kyle and they had two sons.*

*May God give each of you the strength you need to carry on and may the joy you shared with Jonell live continually in your hearts.*
