“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word... We may not understand why Joe left this earth so soon, or why he left before we were ready to say good-bye, but little by little, we begin to remember not just that he died, but that he lived and that his life gave us memories too beautiful to forget.*

*For his son, may the love of those around you comfort you and help you through the days ahead.*

*“ Our hearts break for you all. So many have been taken so young here lately. We will never know why, but God has a plan for us all. Brett was remembering growing up with Joey last night, it's sad how time has a way of separating friends. You all will be in our prayers during the days to come. Find peace and comfort knowing he will be with his Family in Heaven now. We will all join him one day :) Brett and I will keep your precious family in our thoughts and prayers. We Love you guys....
