“ I will never forget Skyler and how he always smiled and didn't complain. It was so nice being in his class for 4 years. He was a good friend to me I will miss Skyler very much but I know that he is in a place where he is not hurting any more.

“ Joe, Darlene, and all the family. I pray that you all will have peace in knowing where Skylar is. Remember even though we wonder in times like these that God never puts more on us than He knows we can handle. Like the cross Dylan gave Bessie says "REJOICE IN YOUR MEMORIES!"

“ Darlene,

We extend our deepest sympathies to you and your family. We will not tell you that we know how you feel, because we do not. We will tell you that we love you very much, and that if you need to talk to Janice or myself, we will be right there for you. We apologize for not being able to attend, but we wanted you to see this and know just how much we care. We will miss Skyler, but we know that he is in a place now where the disease he had can no longer touch him, and has no power over him. If you need us, you come by or call whenever you need, be it day or night.

With God' s great love,

“ God needed one more angel
in heaven up above
he must have seen a vacancy
one more angel to love

He knew you would miss him
he didnt leave you alone
he really needed your angel
he was only yours on loan.

The pain is for yourself,
Skyler is above
the memories are eternal
just like Skylers love.

So miss your precious baby
but smile and remember his charm
Your angel is in heaven
asleep on Jesus' arm.

“ Darlene and Joe,
I am so sorry for loss of your little boy, I can still see him at the lake with the little fat cheeks and that heartwarming smile... Words cannot express how heartbreaking it is to know that you are hurting so, but if I may... your tears will some day go away when the Lord comes and reunites us with our loved ones... You will see that he still has that heartwarming smile, only now, he is free from pain... May God bless you both and give you strength through these difficult time... “ We thought about and prayed for Skylar often. Jenell and Skylar met at the IOOF park and later became class mates in Mrs. Coles class. They became such great buddies, Jenell still have the pictures of her and Skylar at the Tyler zoo hugging. He was a wonderful, happy, and brave child. Skylar was a lot stronger than most adults. Darlene I do not know your pain but Jesus does, Darlene look to the hills from whence cometh your help, your helper will see you through and his name is Jesus. Our prayers and thoughts are with you and your family, our blessed angel Skylar is in a much better place, no more pain and suffering, and safe from the violence of this world. May God be with you always.
