“ *I learned of Aunt Jo's passing from my girls' Dad who called Debra to get word to me. I was sad to hear and was hoping to be able to make it to the services. Although I am unable to be there, I wanted the family to know that you are all in my thoughts and prayers right now.*

Again, I wish I could be there to say goodbye.

God Bless You, Karen

“ *Uncle James had stayed with my mother and her family for sometime when they were growing up and Uncle James just became an another brother to my mother, sisters and brother. When we were small children it was just the thing for us to call Jo and James Aunt Jo and Uncle James. They will be missed by all those who knew them ..*

“ I just wanted you both to know you're in my thoughts and prayers.

Roland, I admire the way you took on the responsibility of caring for your mother, God will reward you someday.

Ruth, you went above and beyond to see after your mother-in-law. It was obvious in the way you took care of her, that you truly loved her, and wanted what was best for her. She was very fortunate to have you for a daughter-in-law.

You all are in my thoughts and prayers.
