

Josephine Pronk Perry

April 6, 1949 - April 2, 2025

It is with heavy hearts that we announce the passing of Josephine Perry, a beloved wife, mother, grandmother and great-grandmother, and cherished friend. She left us peacefully at home at the age of 75 on April 2, 2025. Josephine was born in The Netherlands on April 6, 1949, and her Dutch heritage was a source of pride and joy throughout her life.

Josephine was married for 44 years to her husband Wilbur. She loved to travel and shop and never passed up day of sun to lay in her pool! Plants and people were her passion, she helped so many people over the years and volunteered for countless causes devoting her time and energy to making a positive impact on her community – Rotary and Bridgehaven CAC were a few favorites. A dedicated professional Josephine worked in the Mortgage industry for 50 years. She enjoyed helping people achieve their dreams of owning a home.

Josephine leaves behind a legacy of love, kindness, and service. Her memory will be forever cherished! She is survived by her Husband Wilbur, her Children Samantha (Mike) & Penelope (Darren), her stepchildren Diane and Kenneth. Also 7 grandchildren, 8 great grandchildren, Sisters Helen & Carolean and Brother Peter, two dogs she loved dearly, many other family and friends and “bonus” children she picked up over the years. Cheers to a life well lived!
