“ *I remember Mrs. Gleason from Brandywine in Farmers Branch. I can still see her sitting out on the steps in the driveway having her little drink while Lee, George, Joyce and I were playing outside. We still have the pictures of all of us at birthday parties. Lee and George sticking their tongues out.*

Our thoughts and prayers are with you Tim, Lee, Joyce and Jenny. May God wrap His loving arms around all of you. I hope Mom and I can come to Fairfield to see all of you before the services.

“ *We were fortunate to meet Joy on one of her visits to Lake Livingston at the home of Joyce and Steve Alderman. She loved sitting outdoors, watching the deer and watching all the wildlife of the area. She spoke of staying with Joyce and Steve, getting to see and visit with Erin and Will. But she seemed to have a strong fondness for a wonderful dog named Pieta, who also was fond of Joy. From all we saw and experienced, Joy was right at home and enjoyed being treated like a Princess. Joyce and Steve took great care of Joy on this visit and they made great memories for her and for then that will last a lifetime. Our love and prayers to you Joyce and Steve, Erin and Will. And to Joy's Family, our sincere sympathy.*
