“ *Because of her pain, her smiles were few. But now she's beginning her life anew. Her pain is gone Her smile so wide. Because now she walks by Jesus' side.*

Joyce,

You will be missed greatly, but my heart rejoices because you are where we all long to be. The hole in our hearts can never be filled until we see you again. Watch over us from heavens door.

May God bring comfort to the Ewing family. My prayers go out to you.

“ *I am so sorry for your loss. Joyce an I shared so many memories when we were growing up. She made me laugh but also like all good cousins, made me cry. I lost contact with her when we move to Houston but she was in my thoughts a lot. She will be missed by all. The pain is hard to bear as your hearts break but she is in the arms of God. Picture her with the love ones gone before her. I am sure she is shouting an dancing on the streets of gold. I love you all. God bless and keep you.*

“ Robin, James, Leroy, Jerry and Robert, I am so sorry for your loss. I loved Joyce early. We lost contact with each other when we moved to Houston. i thought about her a lot. We had some really good times together but like all cousins had our share of disagreements. When I think of her, I smile because of the happy times. I know she will be missed by all. The pain is hard but she is in Heave with the Lor and all her family that had gone before her. She is shouting and singing. I love each of you. God bless and keep you.
