“ *Hi Mom
I know by now you have danced in the streets of gold and your new life has only just begun. I saw the angels come and get you, and knew you were home safe and sound. You fought the good fight to the end, it was not easy I know. Thank you for bringing me into this world and the opportunity to help usher you out. It truly was an honor to take care of you, the rewards will be everlasting.
Got to go MoM, (you know I never stay long anywhere.) I know my work here is not through and I can hear you cheering me on. I will finish what God called me to do. Tell Jesus hello and I will see you on the other side of glory for all eternity.
I love you MoM
your #1 daughter*
