“ My prayers are with you. I know this is a very hard time for all of you. I can not remember a time I ever saw Joyce that she was not smiling. She even brought me home from church camp hen she came to get Beverly because we were homesick. She has gone to a much better place and is without pain now. All my love, Kathy

“ I will miss Joyce very much. She was such a joy to be around, always had a smile on her face!

I will miss Joyce buzzing around on her little scooter - going to Bingo, and visiting with friends.

Joyce was always a lady. She took great care in looking nice, even when she felt really bad.

Although she suffered many health problems, she endured it with grace and dignity.

“ I had the privilege of meeting Joyce while she was in healthcare and roomed with my dear friend Ovie Mahoney. When Ovie moved to assisted living I would see Joyce quite often. She always had a smile on her face and a hug for me. I will miss her smile. Rest in peace Joyce.
