“ *Robbie and family:*

I am so sorry to hear about the passing of Juanita. I've known her all my life and can honestly say she was one of the sweetest ladies I have ever met. She and J T were more like family to us than friends. They were always so good to granny and granddaddy, not to mention the rest of the family. Of course with Davis' married into our family we couldn't help but be close. She will be truly missed by all those that knew her.

My thoughts and prayers are with you at this time. I pray that you and Ken arrive safely back home.

Hugs

“ Sister Davis was one of the dearest women to have ever lived. She and Brother Davis were always there for you in your time of need. I have know them and been a member of Fundamental Baptist Church for my entire life. I was proud and privileged to call them my friends. They are together again in Heaven beside the Lord where both of them belong.
God bless you Norma Jean & the rest of the family.
