“ *My memories of Juanita are:playing tennis, basketball, softball and volley ball in high school. One summer Mr. and Mrs. Sheppard, Juanita and Nelda invited me to go on vacation with them to New Mexico. We had a wonderful time.*

Juanita was always such a kind and gentle person. I have great memories and Juanita will be missed.

“ We lost a great friend when we lost Juanita Sheppard. The Mildred area will not be the same, but we know that Heaven gain an angel. In that fact, we can all gain comfort. I hope that you family members know that and can take comfort in that fact. Know also, that we are praying for your comfort and that if you need anything at all, we are here for you.

*Love in Christ,

“ I did not work closely with Juanita, but I can truly say she was an inspiration to others in how she dealt with illness by continuing to work even though she was struggling. You would never know by talking to her as she was always pleasant and upbeat.
God Bless You All.

“ Juanita was a kind and soft spoken person. She loved her animals and I could always depend upon her to have something to say that would make me laugh. Though it has been a very long time since she left Giddings, I have thought about her often. Charlie Akin is my brother-in-law and Juanita worked for him at his bar and was his neighbor for many years We had good conversations at the bar and I have missed those hometown places that we could just meet after work and visit. I will continue to keep her loved ones in my prayers.
