“ *I first met Judd in Newport Richey, Florida, in 1982, he invited me over to Corsicana in 1983 where I met his lovely wife Judy following this we have been friends to date.*

I last spoke to Judd at Christmas 2013 after which we had no contact only wondering what had become of him, had he gone into hospital or whatever letters were written to no avail.

Judd Bernstein was a good man and saw good in all, and proud to come from Corsicana.

My family and I will miss him.

God Bless.
