“ *With great gratitude and appreciation, I would like to express my thoughts and feelings for Judi and her husband Johnny Burnett. They opened their hearts to a beautiful boy and expressed their love to him from first sight. They taught him to be kind, compassionate, thoughtful, and to value family...traits directly obtained from loving parents. This boy grew to be an honorable, responsible man and I was fortunate to marry him.*

Thank you Judi and Johnny for your love not only to my husband but also to my children. Thank you for opening your hearts to me as well as others. Thank you for giving me a man I will cherish and love forever.

“ To Johnny, Michell, Brian, and Kati.. Judi was a very lucky woman to have such a wonderful, loving family in each of you. Your dedication to her well being is to be commended. She is free of pain, taking deep clear breaths of fresh air, and smiling down upon us. Each of you were equally as lucky to have her as a wife, mother, and grandmother. Judi was a special friend to our family and will truly be missed. We all gained a guardian angel today. How lucky are we.....!!

Love Always,

The Coles
