You're a best friend not only to me, but also to Doug, and you will always be one of my Mom's "kids." I pray to God to heal you and your family's hearts, and that you will find comfort in the fact that Judy is in a better place. We will always be here for you girl..... Take care.....

“ *What fond memories I have growing up with Judy at First Baptist Church, Corsicana! She and her father and mother were so faithful to attend church. I even remember where they all sat at church in the 1950's.*

Judy had so many friends because she was a true friend to so many people in Corsicana.

I will be praying for the entire family.

Love, Patty

“ I'll always miss Aunt Judy's soft voice and soft laughter. Even if it was something really funny her laugh was soft and warm. And the conversations with her were always interesting and suprising. Its amazing all the people she knew, and had been friends with. Perhaps now, she and her friend Cindy Walker can sing duoes in Heaven. Can you imagine what beautiful singing that will be. How great it will be, that she and Aunt Patti and Dad will be together again. How great it will be, when we get to join them, and we will all get to be together again forever in Heaven.

I am sorry that I will not be able to be there for the funeral, but I am glad that Mom, Dad, and Jason will get to be there with you. I will continue praying for you during this hard time. I know she is having fun running around right now with Jesus and many other friends and family, and I look forward to the day when we are all together again for the great Family Reunion.

“ Jules, as I told you I will be leaving tomorrow morn to attend Robin's daughter, Ashley's college graduation. I feel so badly that I will not be able to tell your sweet mother good-bye and shed lots of tears and love with you and your family. The world has lost a beautiful lady, but now some one else is sharing her loving kindness and friendship. You know you are in my thoughts and prayers, so let's continue our friendship as your loving Mom would want you to do.

Much love and affection, Babbette
