“ *Gina and Sherry and family,*

I am so sorry to her about your mom. I did not know she was sick. I just wanted to let you all know that I will be thinking about you tomorrow. I am not sure that I can make it. I will be praying for you all. Just hold on to each other and to God. I pray the He will comfort you all and give you all peace during this difficult time. If you all need anything, please just let me know.

Love and prayers!
