“ I had the pleasure of meeting Miss Judy when my dear friend Winnie Cox was in the room with her some years back. Also my dad Tom knew Mr Clyde and Miss Judy and Sid the Horse.

Judy had the sweetest smile and ever time I came to visit she turned it on! One day I brought fried chicken and okra to her and Winnie and she loved it. She said best she ever had (it was from Church's)

I know you will miss her she was a sweet LADY!, And I guess a lady always knows when it is time to go. We do not want to give them up but it is really God's choice.

May God bless you Judy and keep dancing with the angels.

“ As someone who has worked with Bertha for many years, I know how much she enjoyed doing special events for her mother and the retirement village. It takes a special mother to produce such a loving daughter. My thoughts and prayers go out to each of you during this time of loss. May your memories comfort you and help ease the sadness.
