“ *I want to send my prayers and condolences to Neilen, Danny, Micheal, and all Judy's family. Judy and I were best friends in early high school, and even though we had married and moved in different locations I always felt close to Judy. We lost contact for several years but were able to get back in contact this last year and talked weekly. I even was able to see her and Neilen when they came down to visit me.*

It was like old days, I still love her and her great personality. It was probably good that she got married or we might have gotten in trouble. I don't recommend this, but it is one of our fun memories when I spent the night at her house and we took her Uncle John's Cadillac out for a drive in our pjs of all things.

Her laugh and personality were the best. I will miss her and our talks.

Love you Judy (say hi to Keith for me).
