“ Please accept my sympathy at this sad time. I was shocked to hear the news of Judy's passing. I remember her coming into the bank and telling stories about growing up there and the history of St Elmo and Winkler, Texas. My thoughts and prayers are with you all. With deepest sympathy, Jane Guerin

I loved Judy with all my heart. There are just no words to say how sorry I am. I kept Judy and Roger a week at a time in the summer. Aunt Joyce worked and Uncle Wayne was busy in the fields.. i went home on Fridays and came back on Sunday nights. Judy sat by me every Sunday at church. Have so many memories. She was a very special cousin.

Judy was a wonderful person. When you put her and her Mom together the world was a better place. She loved her family and a quick smile was always given when she talked about them. There are people when they cross your life's path you never forget them and Judy was that kind of person. The world is a better place because she walked it.

Sincerely, Terry Fauble
